19-Nov-11 01:06 | Komos72

#d5chat sounds like daily 5 is a lot like balanced literacy that many use in Alberta Canada. Read write and word work every day

19-Nov-11 01:08 | Komos72

@Komos72 The main theory for teaching reading in NZ lies in the middle between phonics and whole language #d5chat

19-Nov-11 01:08 | judykmck

@MrsMorgansClass What are file-folder activities? #d5chat

19-Nov-11 01:08 | jmsalsich

@4444Charlie but D5 is also about providing choice for students. They have choices in what they work on during a particular block. #d5chat

19-Nov-11 01:09 | kriceSD57

@judykmck Sounds about right! :) #d5chat

19-Nov-11 01:09 | Komos72

D5 writing is more free choice writing for my class #d5chat

19-Nov-11 01:10 | valruckes

@kriceSD57 @4444Charlie Yes, choice is key! So is opportunity to have time to practice the skills and strategies they're learning. #d5chat

19-Nov-11 01:10 | Komos72

@KarynTeaches YES! I was just thinking about that this week. It's time to bust out the topic journals, I think! #d5chat

19-Nov-11 01:11 | judykmck

@Komos72 how do kids select them? is there ever an argument over them (because my class loves to argue over things!) #d5chat

19-Nov-11 01:11 | KarynTeaches

RT @valruckes: D5 writing is more free choice writing for my class <--Mine too. #d5chat

@Komos72 Hi from Ohio...I sat with you at cafeob...thanks for your twitter help #d5chat

19-Nov-11 01:13 | erickaperry

Rainbow spelling is when they trace over a word in multiple colors to give it a rainbow effect ("tricks" them into re-writing word) #d5chat

19-Nov-11 01:14 | jmsalsich

for word work we mainly use mini whiteboards, wiki stix, Spellcity on IWB, magnetic letters #d5chat

19-Nov-11 01:14 | judykmck

@Komos72 cool! #d5chat

19-Nov-11 01:14 | KarynTeaches

@erickaperry Hi!! Thanks for joining us! :) #d5chat

19-Nov-11 01:14 | qldteacher

i'd like to introduce comics & comic strips to my students. does anyone have their students do something like this? #d5chat

19-Nov-11 01:14 | KarynTeaches

#d5chat I do modeled writing where I demo a genre and then we write same genre together and finally kids do on their own.

19-Nov-11 01:15 | 4444Charlie

@jmsalsich hmm like that idea for one of my delayed learners, must use it. (I have middle school class) #d5chat

19-Nov-11 01:15 | KathrynTrask

right now they have their writing journals, where would they store their comics? #d5chat

19-Nov-11 01:15 | KarynTeaches

@SELeakey I also do writing workshop where they have to write according to the genre we're covering #d5chat

19-Nov-11 01:15 | valruckes

@KarynTeaches Check out ToonDoo for sure. #d5chat

19-Nov-11 01:15 | Tami17

For ww I use sailboat spelling and some of the others listed #d5chat

19-Nov-11 01:15 | erickaperry

for writing I encourage blog commenting, but they also have free choice in the book. We have separate writing time also #d5chat

19-Nov-11 01:15 | judykmck

@SELeakey we have a separate 45 minute writing block where we do genre specific work #d5chat

19-Nov-11 01:16 | KarynTeaches

<http://t.co/qcW7luk8> #d5chat

19-Nov-11 01:17 | NZWaikato

#d5chat I made writing folder for kids to keep all pages in. Move paper to diff section as they complete step in process.

19-Nov-11 01:17 | 4444Charlie

When people were introducing their WW how long did you spend teaching each station. Logistically how did kids practice? #d5chat

19-Nov-11 01:17 | kriceSD57

@Kathy749 for summer school i read lunch lady & then gave them a comic template. great stuff came out of it! #d5chat

19-Nov-11 01:19 | jasminedwyer

@Komos72 yes, i have the gift of time. however, it makes for a long, squirrely, unruly afternoon... #d5chat

19-Nov-11 01:19 | KarynTeaches

@erickaperry #d5chat letters, persuasive, instructions, narratives, descriptions, news article. Give specific structure to follow.

19-Nov-11 01:19 | 4444Charlie

WW apps: Montessori words, word wizard, word bingo r all good #d5chat

19-Nov-11 01:19 | qldteacher

Thanks.RT @jmsalsich: bananagrams are like endless scrabble tiles without the scoring. Interlocking words
<http://t.co/RdFY8wkb> #d5chat

19-Nov-11 01:19 | KathrynTrask

@jasminedwyer I think those components come during Writer's Workshop time. Work on writing time is when Ss practice independently. #d5chat

19-Nov-11 01:20 | Komos72

@jmsalsich what bananagrams? #d5chat

19-Nov-11 01:20 | Kathy749

19-Nov-11 01:20 | Komos72

19-Nov-11 01:21 | jasminedwyer

19-Nov-11 01:21 | Komos72

Mine also fight to use the Magnadoodle for writing words. They love letter stamps too. #d5chat

19-Nov-11 01:21 | mrsjezell

@SELeahey Yes! #d5chat

19-Nov-11 01:23 | judymck

Write on clay with a golf tee...idea from cafe! #d5chat

19-Nov-11 01:23 | erickaperry

If my kids are really into their writing I let them continue writing through another round #d5chat

19-Nov-11 01:23 | qldteacher

@jasminedwyer Reading like a writer n vice versa SO has a place in D5, usually in the mini lessons or sep w. wkshop. #D5chat

19-Nov-11 01:24 | brettelockyer

@NZWaikato What are bananagrams? #d5chat

19-Nov-11 01:24 | erickaperry

19-Nov-11 01:24 | KarynTeaches

Sorry I was gone for a while, I was trying to figure out a wiki situation... #d5chat

19-Nov-11 01:24 | MrsMorgansClass

@jasminedwyer Daily 5 then comes after those fantastic lessons when children can practice what they've learned. #d5chat

19-Nov-11 01:24 | Komos72

Story kit is a great free app for writing too! iPod touch or iPad. #d5chat

19-Nov-11 01:25 | Deb_Pope

RT @mrsjezell: Lit is woven throughout mini-lessons. Grab a copy of the Daily5 book...so much good info there too. @jasminedwyer #d5chat

19-Nov-11 01:25 | Komos72

thanks for the tweetchat link @Komos72, what a great way to follow the #d5chat

19-Nov-11 01:25 | KarynTeaches

We use Lego pieces with letters on them. Kids love them. Story kit is a great app for narratives n free writing. #d5chat

19-Nov-11 01:25 | AmyBerrell

@qldteacher @erickaperry Glad I'm not the only one! I can't say no to a child who begs to continue reading a good book! #d5chat

19-Nov-11 01:25 | Komos72

@Deb_Pope Is it called story kit? #d5chat

19-Nov-11 01:25 | erickaperry

#d5chat Thinking of letting my writers record stories on Audioboo during work on writing & then I can post on blog .

19-Nov-11 01:25 | valruckes

@KarynTeaches So much easier, isn't it? (And then I don't forget the hashtag!) #d5chat

19-Nov-11 01:26 | Komos72

@jmsalsich preprinted or handmade activities stored in a folder (kinda old-school) - mine include alpabatizing, ant, syn, plurals... #d5chat

19-Nov-11 01:26 | MrsMorgansClass

u can fit in a lot of guided/modelled writing through mini-lessons #d5chat

19-Nov-11 01:26 | qldteacher

I've just intro'd my 1st graders to blogging, so in time, that will become an option for Work on Writing. Talk about engaging... :) #d5chat

19-Nov-11 01:27 | Komos72

I know have shared this before but this is a great site for writing <http://t.co/1gVW6CII> especially for older grades. #d5chat

19-Nov-11 01:27 | KathrynTrask

@kriceSD57 Rainbow spelling - different colored markers or crayons - "words of art" #d5chat

19-Nov-11 01:27 | MrsMorgansClass

@KarynTeaches What are rainbow words and wikki stix? #d5chat

19-Nov-11 01:27 | rrsimonsen

@brettelockyer that's great. maybe i can even make them w/o lines from plain white paper & they make cover. do you purchase them? #d5chat

19-Nov-11 01:27 | KarynTeaches

@erickaperry That's a great idea. Thanks! #d5chat

19-Nov-11 01:27 | valruckles

My threes love the game 4 Way Spell Down for Word Work and also 4 Way Count Down for math daily 5. #d5chat

19-Nov-11 01:28 | jenlvs2tch

Stamp out the words
#d5chat

19-Nov-11 01:28 | erickaperry

for word work we work on spelling lists, and make lists of hononyms, synonyms, etc #d5chat

19-Nov-11 01:28 | judykmck

@jasminedwyer d5 is a way to manage your class, rather than what u teach. Once hv set up u can teach what u want #d5chat

19-Nov-11 01:28 | qldteacher

@jenlvs2tch Ooh, can you tell us more? #d5chat

19-Nov-11 01:28 | Komos72

My kids like to write friendly letters, birthday greetings, and use theme border paper during work on writing #d5chat

19-Nov-11 01:29 | valruckles

RT @KathrynTrask: I know have shared this before but this is a great site for writing <http://t.co/1gVW6CII> especially for older grades. #d5chat

19-Nov-11 01:29 | 4444Charlie

<http://t.co/qJ85ENON> is great for WW - can input your own word lists and students select from a range of games using those words #d5chat

19-Nov-11 01:30 | AmyBerrell

I have shared this before, but is good resource: <http://t.co/Q7uAIDHr> #d5chat

19-Nov-11 01:30 | qldteacher

@KarynTeaches Oh cool! Those are some neat ideas. #d5chat

19-Nov-11 01:30 | rrsimonsen

I teach mine to examine a prefix or suffix, then do various activities round that, finding homonyms and synonyms, etc #d5chat

19-Nov-11 01:30 | KathrynTrask

Write the word and then look it up and write the guide words from the dictionary. #d5chat

19-Nov-11 01:30 | erickaperry

I know the sisters suggest keeping the same WW stations, but the kids get bored - I try to change it up occasionally. #d5chat

19-Nov-11 01:30 | MrsMorgansClass

for word work i use whiteboards, bendaroos (like wikki stix), reading rods & clay. need more options, i think. #d5chat

19-Nov-11 01:30 | KarynTeaches

I have stdnts spell words using playdough too for word work or play BANG! #d5chat

19-Nov-11 01:31 | rrsimonsen

@judykmck Not pictures but videos I couldn't get on? #d5chat

19-Nov-11 01:31 | erickaperry

@KarynTeaches Thanks! :) We should've met up tonight and chatted together for #d5chat!

19-Nov-11 01:31 | Komos72

Sometimes they make envelopes for their letters and get a little too involved in the cutting :) #d5chat

19-Nov-11 01:31 | valruckes

@MrsMorgansClass The idea behind keeping things the same is to put focus on the work, not on the new tools they may use. #d5chat

19-Nov-11 01:32 | Komos72

@rrsimonsen sometimes they play w/the playdoh too much - I have letter stamps that they can stamp into the playdoh #d5chat

19-Nov-11 01:32 | MrsMorgansClass

@judykmck I always have trouble with tech at school and do most of that at home #d5chat

19-Nov-11 01:32 | valruckes

@jasminedwyer @judykmck #D5chat Yes, n our own beliefs about the writing process n learning underpins the toys vs real authentic writing q'n

19-Nov-11 02:00 | brettelockyer

I was reluctant to use D5 for 2 years - I am glad I finally took the plunge this year. I can't imagine teaching without it! #d5chat

19-Nov-11 02:02 | KathrynTrask

RT @judykmck: @jasminedwyer The depth comes from the CAFE minilessons -strategies and whatever else you want to focus on. D5 is 4 management #d5chat

@traintheteacher Thanks for joining us! :) #d5chat

19-Nov-11 02:02 | Komos72

19-Nov-11 02:02 | qldteacher

@jasminedwyer I think you are confusing the word work "toys" with work on writing - plenty of time given for authentic writing also #d5chat

19-Nov-11 02:02 | jmsalsich

@erickaperry Check out the site that I sent you. She is AMAZING! I believe you can use a lot of her lessons at your level. #d5chat

19-Nov-11 02:02 | slfirstgrade

@jmsalsich @jasminedwyer not ab tching direct instruction (try cafe or smthing else). Premise is 2 create structure & S independence.#d5chat
